Background Information

The Dining Society (TDS) is a private members club which provides opportunities for students in the hospitality industry to practise both their professional and communication skills in an authentic restaurant setting.

Whilst dining with us, members and their guests are also encouraged to speak English or Putonghua with our students and thus strengthening their language proficiency.

TDS members are warmly welcomed to participate in regular chef demonstrations at our demonstration kitchens, to enjoy themed dinners at our Training Restaurants in addition to weekday lunches and to indulge in designated services within specific time period offered at The T Hotel and Training Spa.
